

Applications & versatilities

Cosmetic and beauty applications of *macadamia oils*:

Face and body moisturiser

- Effectively penetrates beneath the skin's surface for deep hydration
- Reduces the appearance of wrinkles
- Light and non-greasy

Makeup remover

- Gently removes makeup, even stubborn mascara

Facial cleanser

- Gently but effectively cleanses the skin

Hair

- Increases hair shine and silkiness
- Nourishes and moisturizes hair without being greasy or causing build-up
- Helps prevent dry scalps and reduces dandruff

Nails

- Prevents tearing of nail cuticles
- Encourages stronger nails when massaged into the nail bed

Industrial *applications*

Trade lubricant
